

JOURNEY OF THE WILD SOUL

Autumn 2017 ~ Winter 2018 Offerings

Wild ones,

On the tale end of this, the most healing, transitional, transformative, year of my life, I spent a lot of focused and intentional time feeling into the offerings we provide at Wild Soul Movement, Inc. This isn't just a business. It's a community, it's a movement. It's a microcosm in which we can incubate, model and create the kind of change we want to see in the world.

The work we do together creates bridges and ripple effects. We aim to always be expanding into deeper compassion and grace. We invite people in, we love big, we embody feminine truth, power, and wisdom, and integrate it with masculine drive, structure, and spirit.

Most importantly, we ground it down into real life, here on earth, with all of it's glorious conflicts, challenges, pain and opportunities for growth, AND all of it's miracles, synchronicities, divine timing, rhythms, and mysteries.

We are not here to shrink, comply, or follow along with the way things have always been done - clearly that doesn't work for ALL beings. We are sacred rebels. We feel the urgency of these times to be better and do better. We are sensitive and we care about people and the planet.

This is INTEGRATIVE SPIRITUAL WORK.

The three things we integrate are:

Mindset + Energy

Relationships + Communication

Empowerment + Self-Love (through soul and spirit connection)

When we integrate these three things the result is higher and higher alignment of Service + Purpose along with the ability to carry it out.

In other words, we discover and work to embody powerful answers to the questions, "Who am I?" and "What am I here for?" AND we bring it to life through clear and powerful action, tools, practices, rituals, habits and holy consistency.

In this document you will find three types of offerings:

- 1) Work with me (Elizabeth) 1:1 for a season - includes a 2-day solo immersion in my home in Malibu, 2 calls/month, and in-between call support M-F
- 2) 2-day solo immersion in my home in Malibu - includes pre-work, one prep call, and one follow up call
- 3) Untame Yourself Weekend Intensives - 2.5 day semi-private group immersion (four to six participants max) in my home in Malibu. Includes pre-work and a 1:1 follow up call

*All immersions include lunch, water, juices, tea, and snacks on each full day. Travel and lodging are not included.

You'll notice all the offerings include an in-person experience. What is possible when we come together in real life is what makes this next step in your Wild Soul Journey so potent.

I look forward to sharing these experiences with those for whom these offerings resonate!

All my love,
Elizabeth
